

# **Elec4700A**

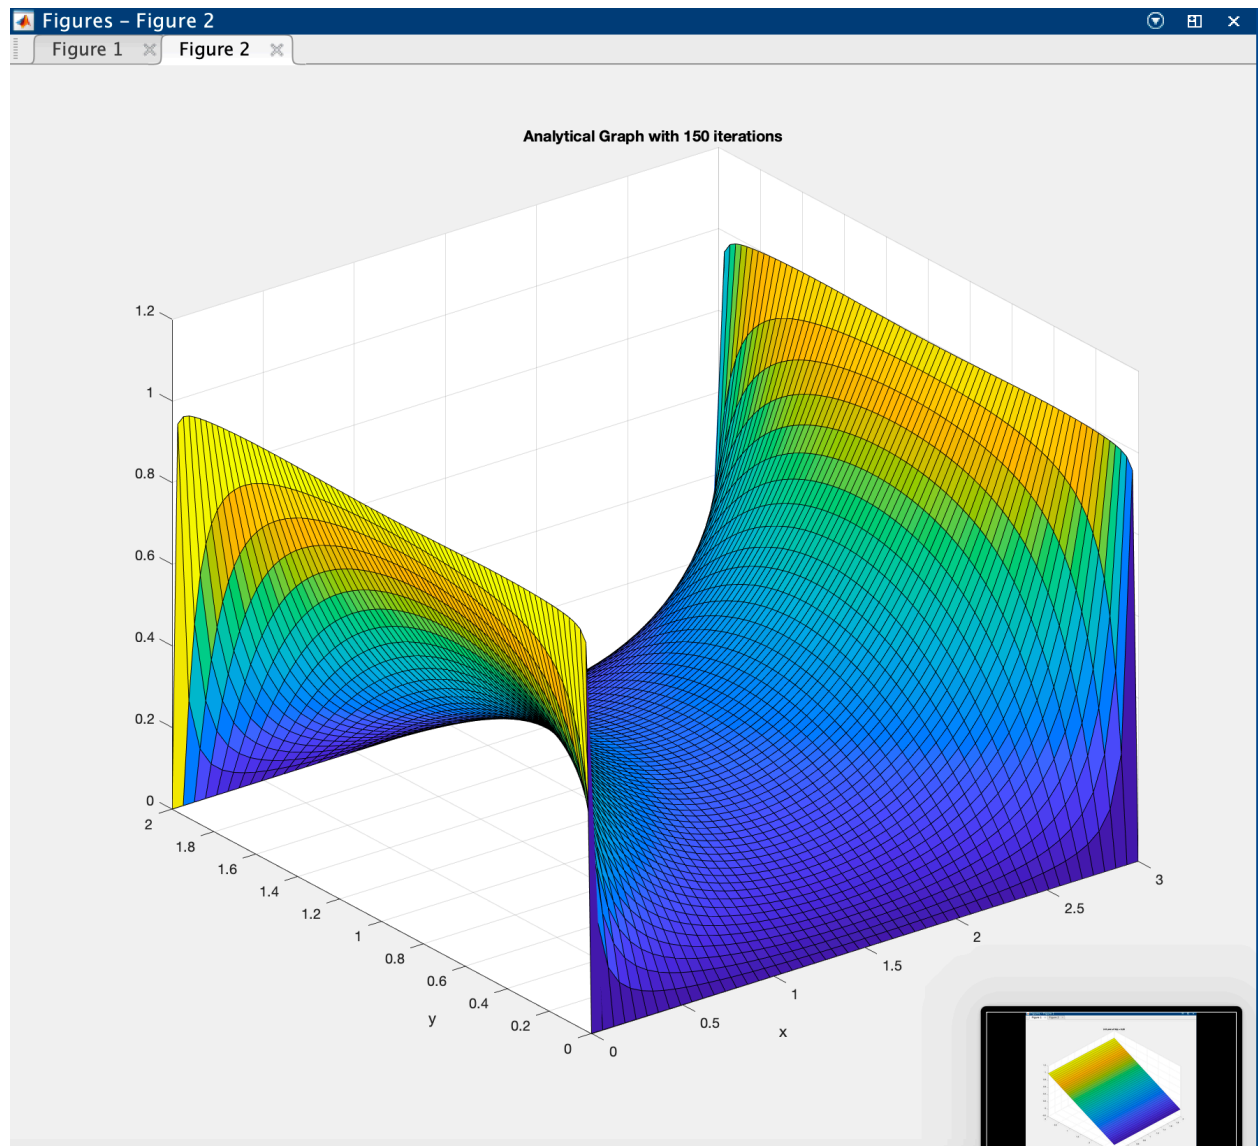

## **Assignment #2**

Khaled AbouShaban  
101042658

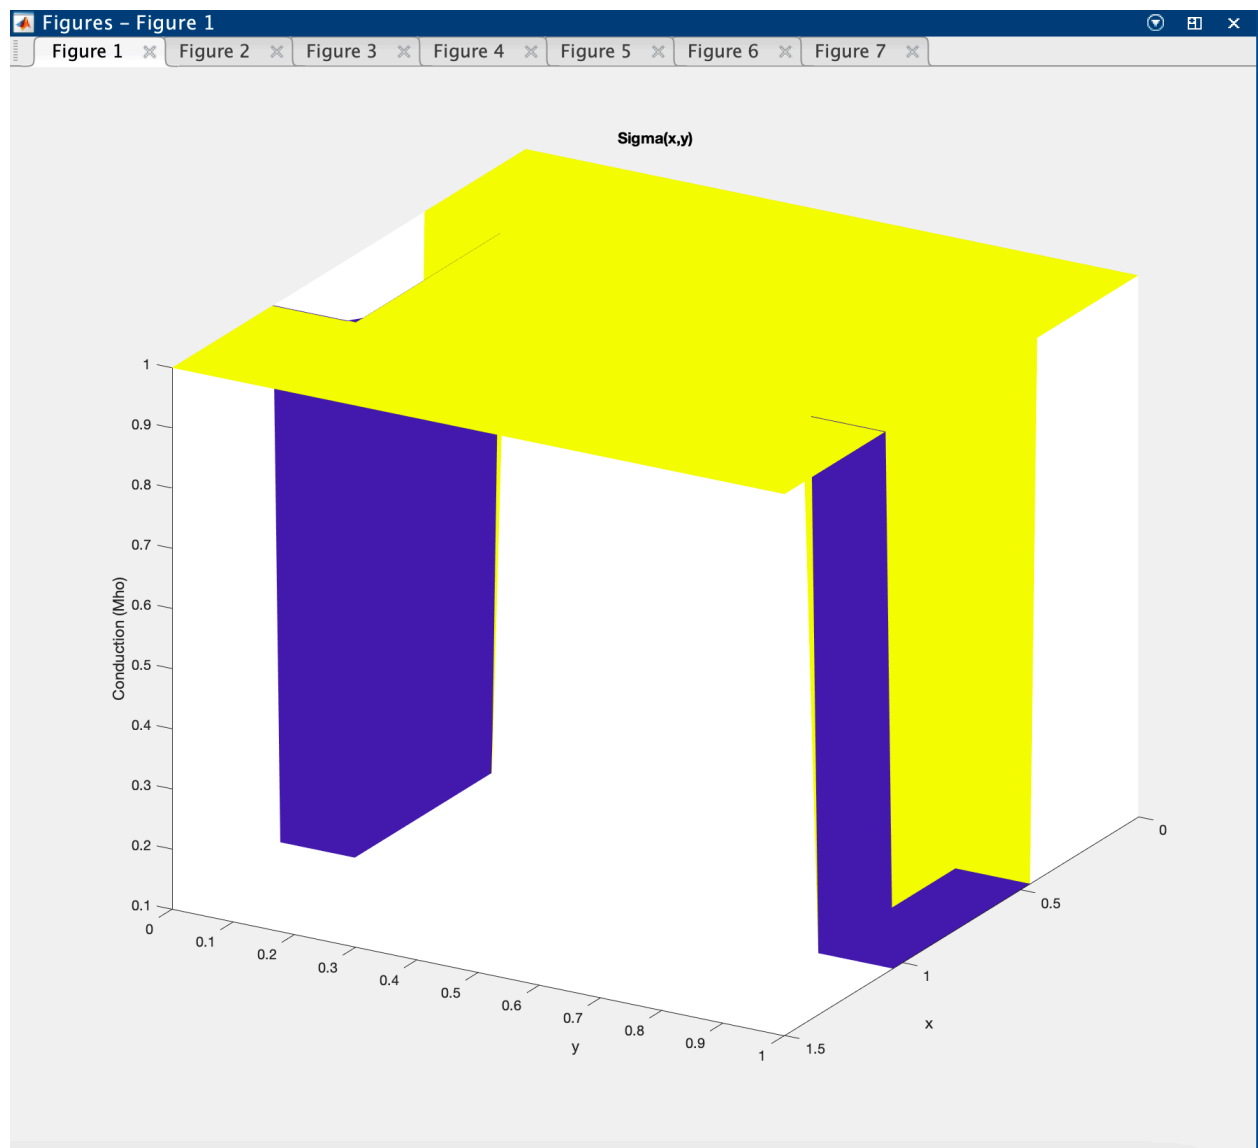

Due Date: Feb. 28<sup>th</sup>, 2021

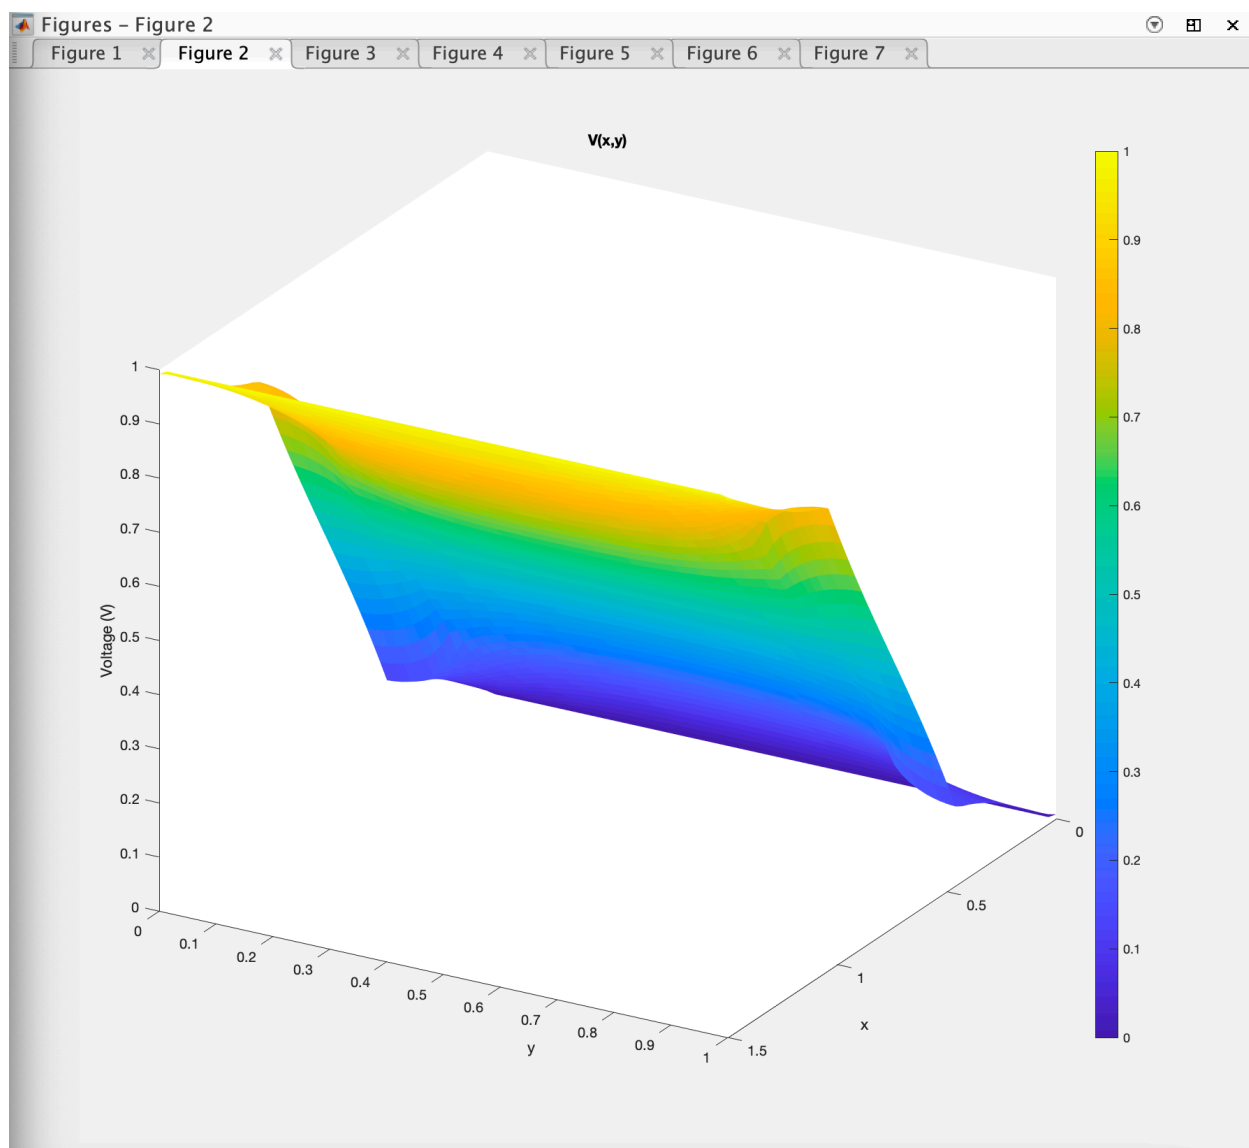

## Question 1:

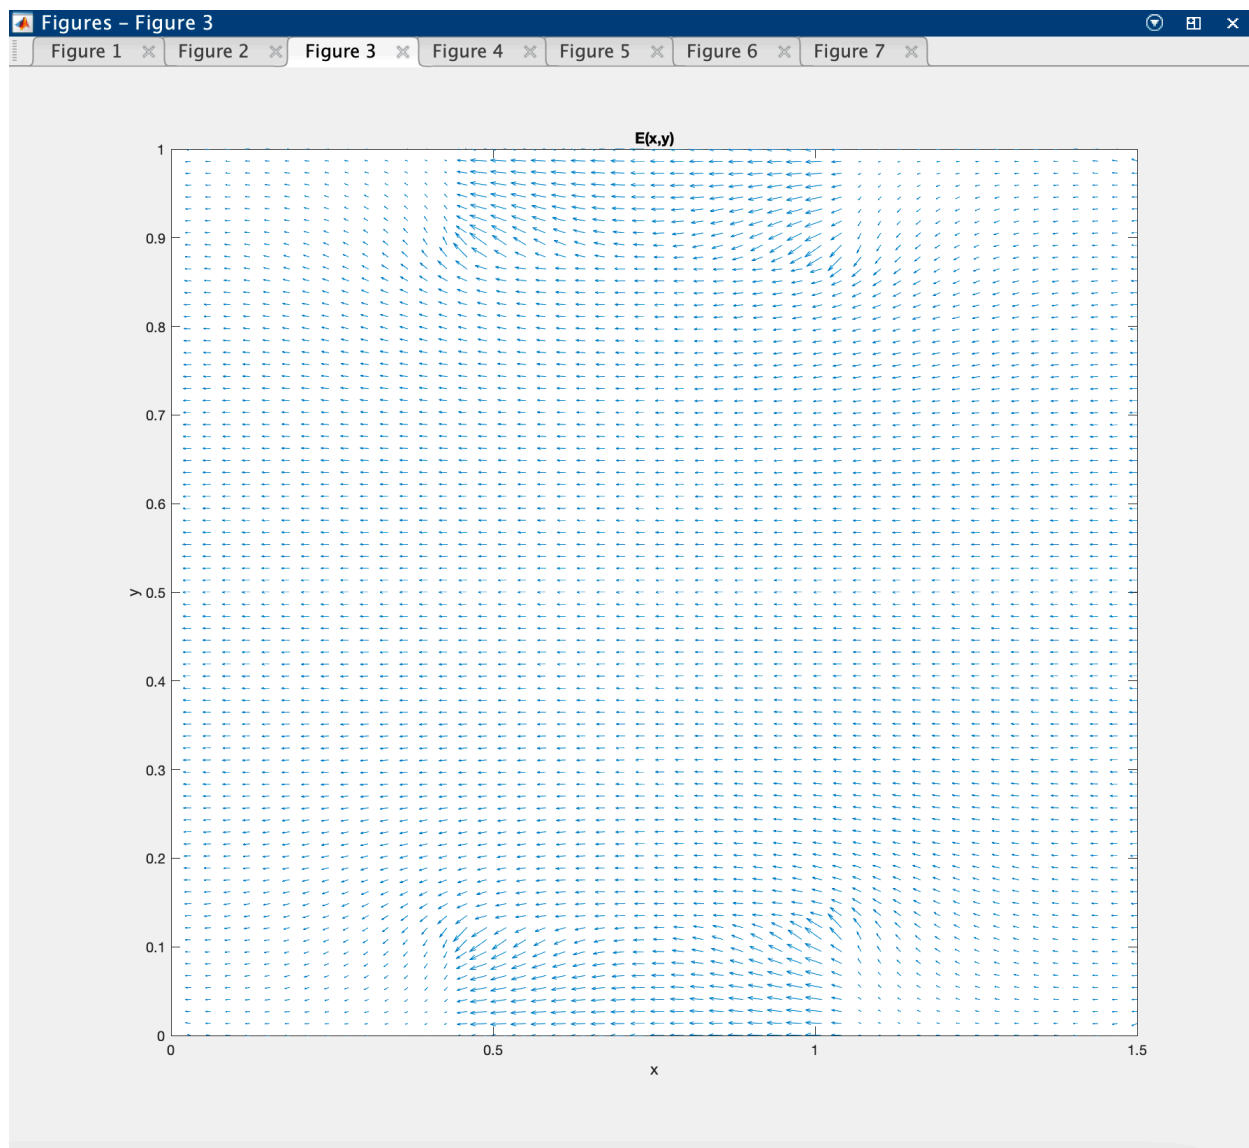

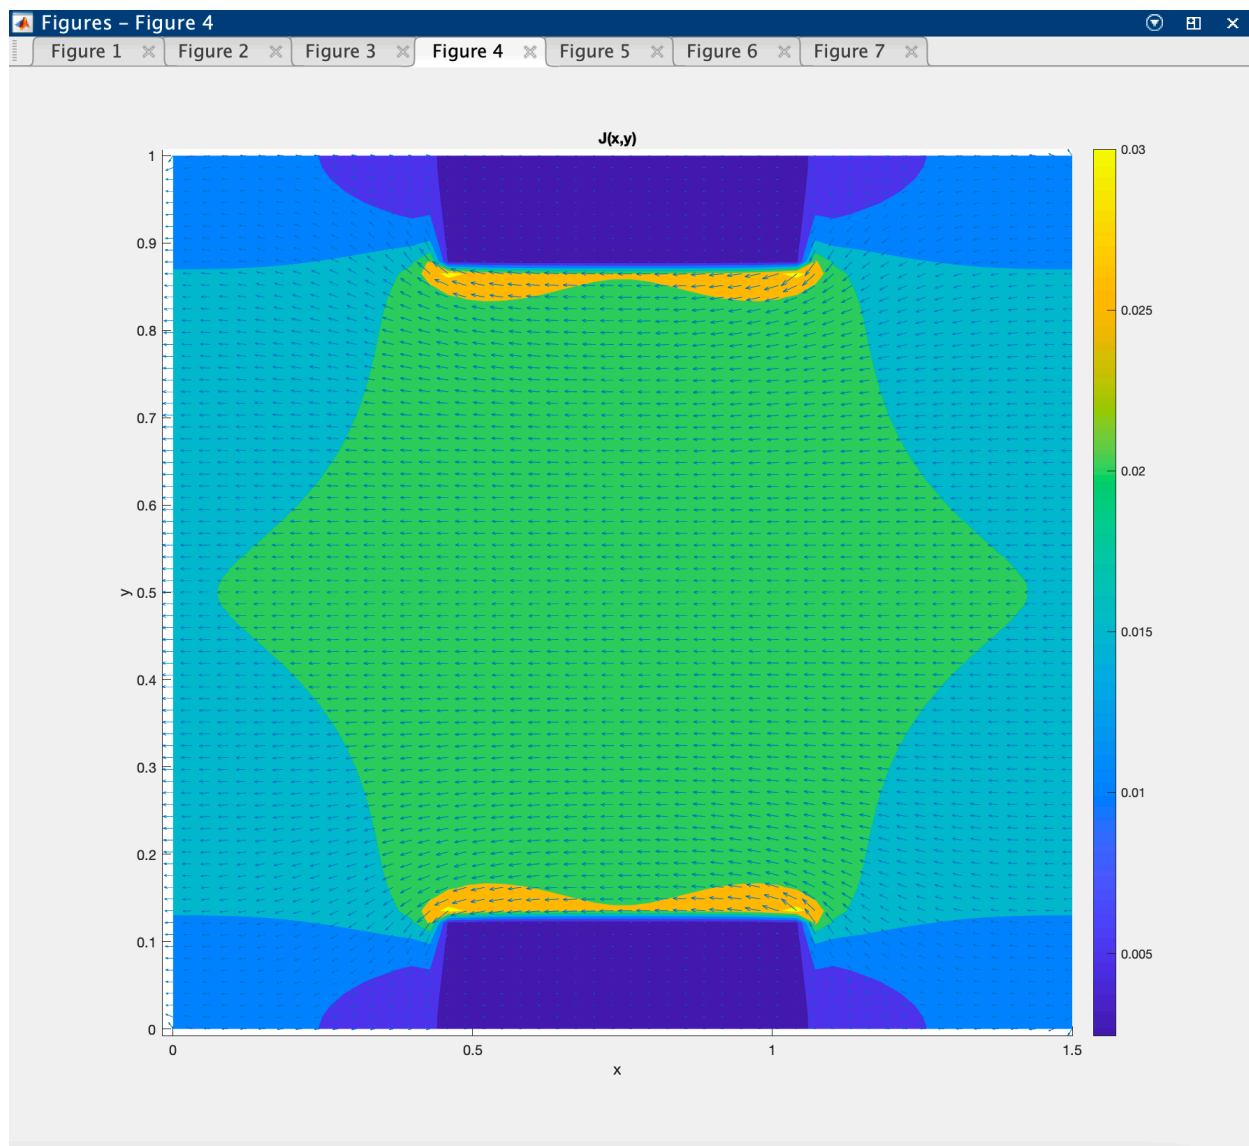

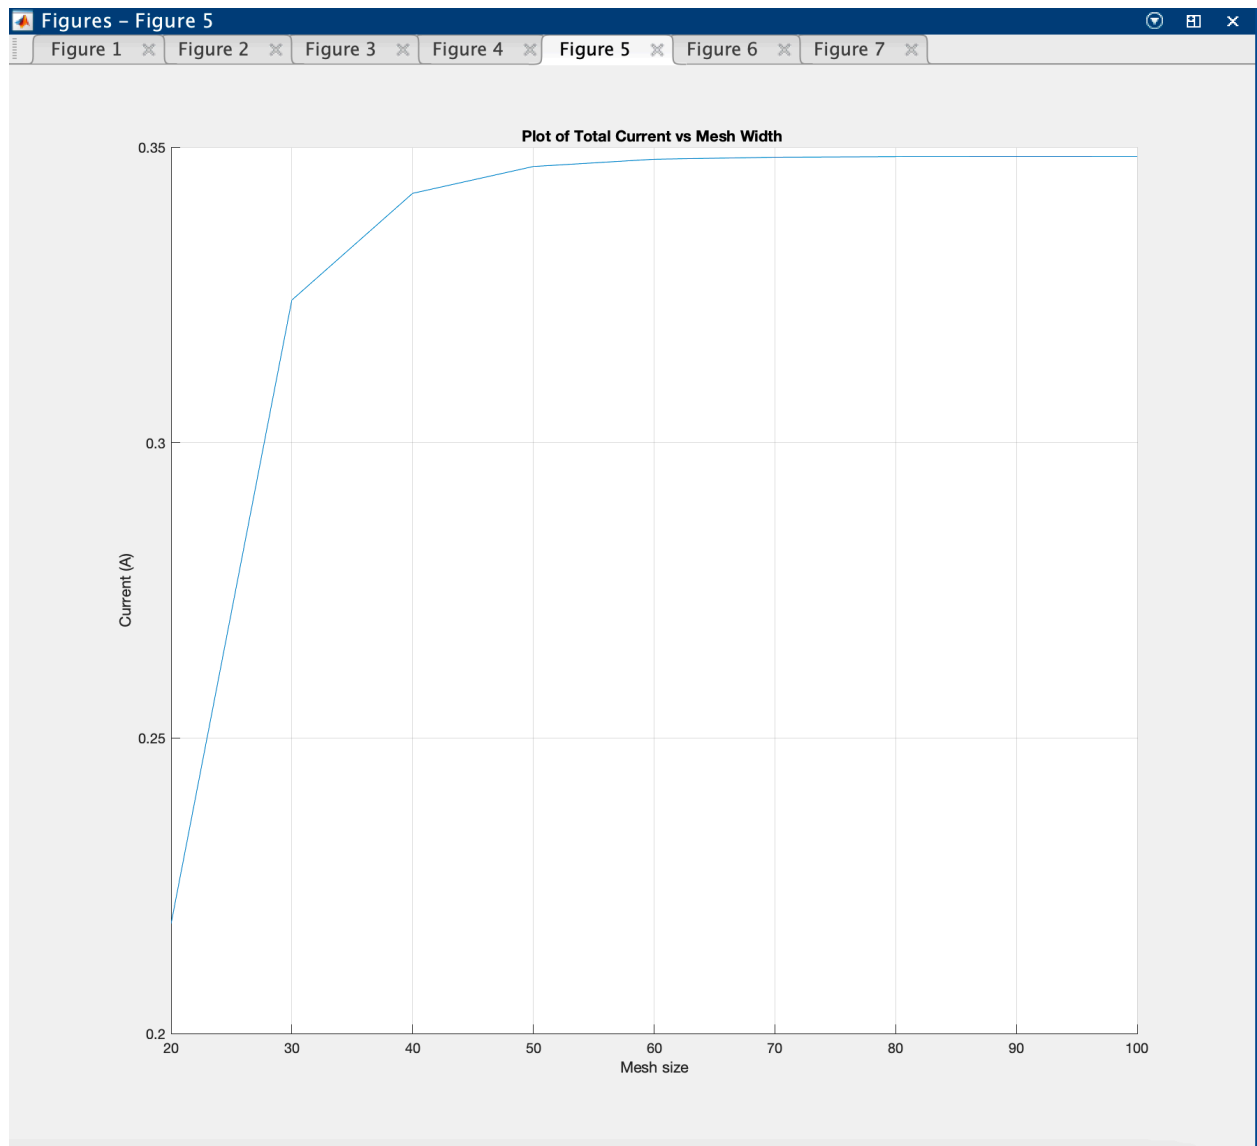

Question 2:

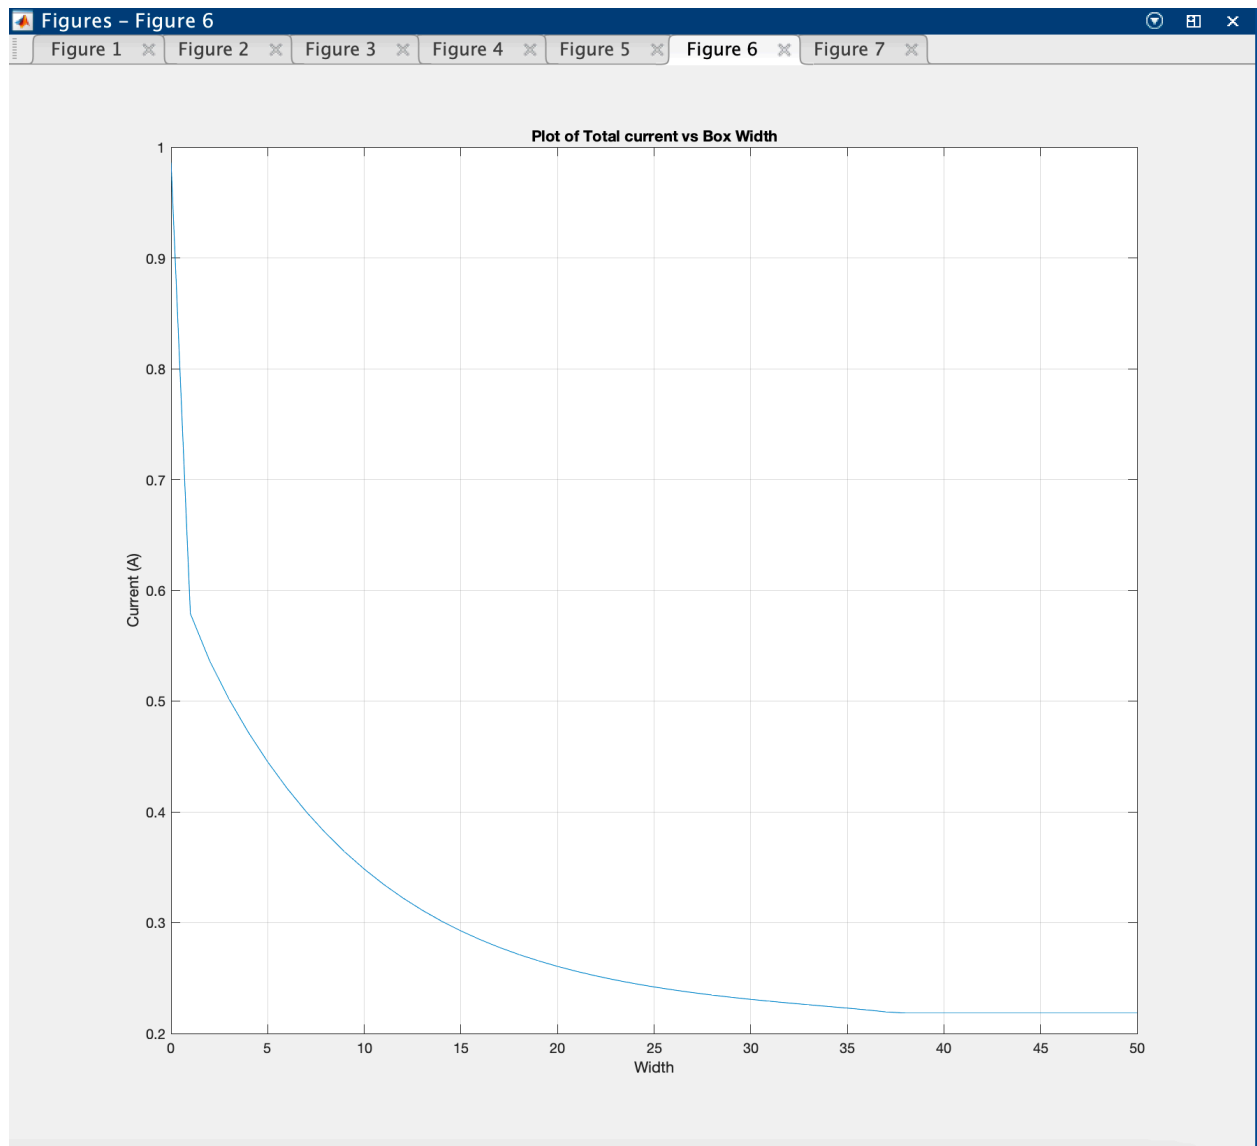

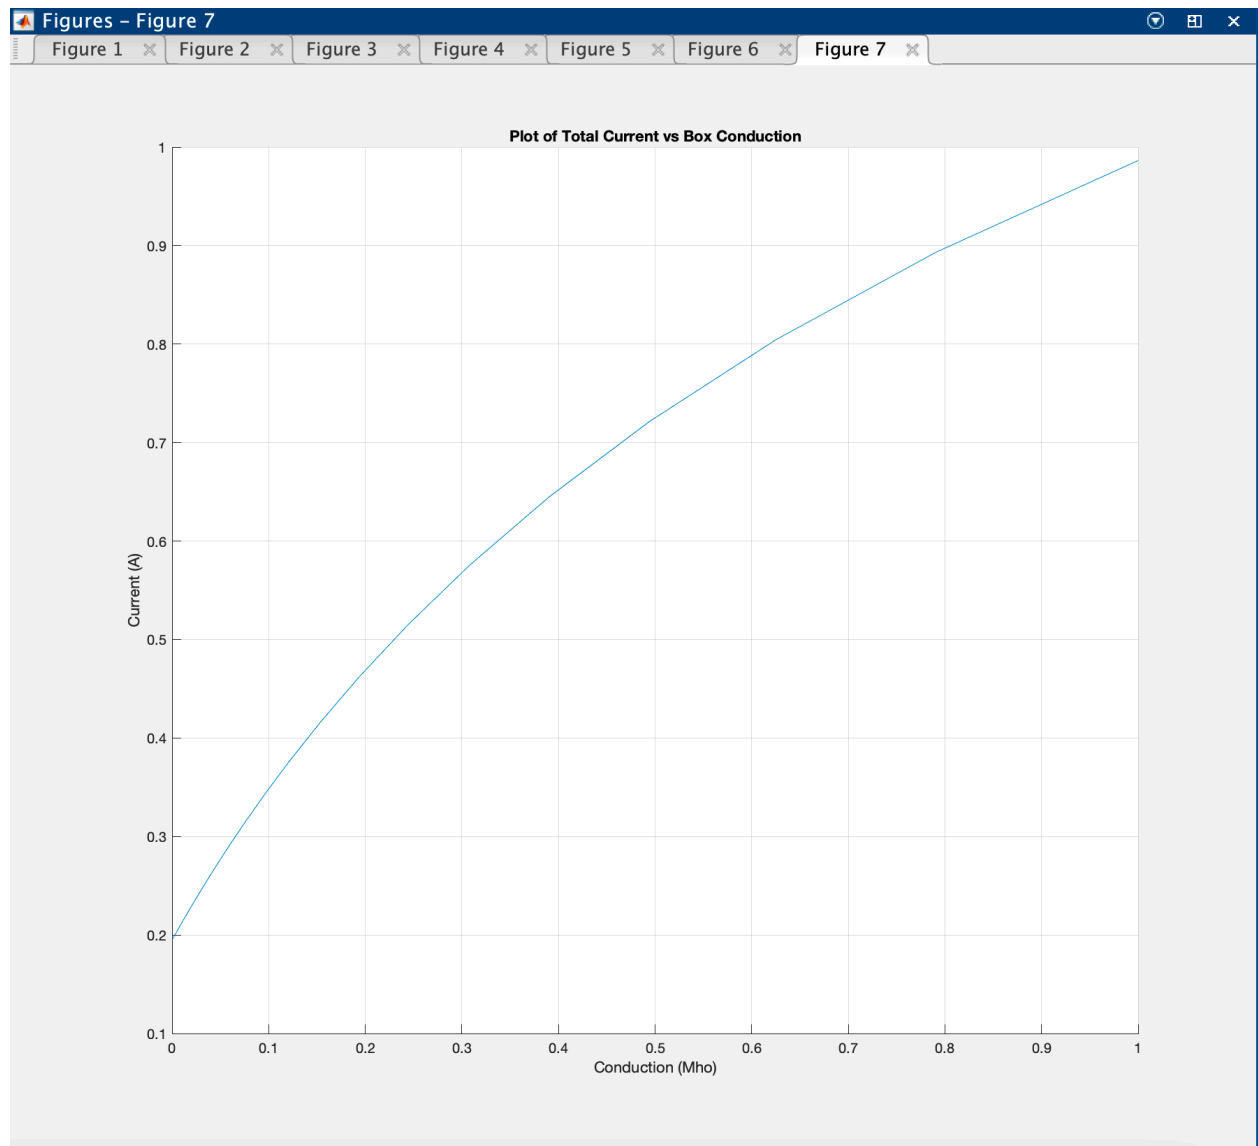

Conclusion:

Overall it was a success, the resulted plots are similar to what was expected except that there is a small error in question 1 which is most likely due to a small error with the x and y limits.
